

## Sennen Surf Club Emergency Action Plan (EAP)

*Last reviewed: 17/05/2016*

In event of incident/injury the volunteer first in attendance should:

- Remain calm
- Alert designated volunteer lifeguard
- Give signal for everyone to leave water
- Lifeguard rescues casualty from water. If there are multiple casualties assistant lifeguards instructed to assist with rescue.
- Lifeguard will administer life support/first aid
- If an ambulance is required a volunteer will be sent by lifeguard to the nearest of the lifeguard hut / beach cafe with clear instructions of the casualty's condition and to request an ETA.
- Lifeguard completes incident report to be reviewed by management team.
