Groms: Good to be back to a more usual session. There were no cancellations due to weather though 3 cancelled due to lack of BLG cover. Have 4/6 signed up for next BLG course.

Seniors: Run as more ad hoc sessions. No BLG cover and will continue as a social session. Will offer basic courses for new members. Could do more on the social side?

Winter Training: There is space on the BLG course. No Rookies course as yet as need volunteers trained to run it. Also need to get the pool booked. Sara B asked if RNLI BLG could help out?

Clubhouse: Waiting on quotes on new roof. Intending to have works done this winter. There is not much funding around and we can't wait for it. There was a query about whether part of roof space could be used for storage. Also stated that the planning permission for the reroofing had been implemented.
